

Bridging Message to Remember #9

The only thing I haven't done out of all the things I've tried to do to be cured, to get rid of it [homosexuality], or pray my way out of it, or get healing from other people, the only thing I haven't done is to turn and face God and say, 'You know, this is who I think I am and I'm inviting You into it, and if You want it gone, you need to do something other than what I've tried to ask You to do. And I'm turning it over to You, and I'm going to live this way until you teach me differently.' I was a little bit afraid saying that, because I thought, 'Well, if everything I've been taught is true, something dramatic is going to happen here, and if everything I've been taught is not true, then what's going to happen is this is going to be the most freeing thing I've ever experienced in my life, and hopefully it will take me to deeper places spiritually that I've never experienced before, too.'
